This decision is in response to applicant's submission filed 03 May 2006.

BACKGROUND

On 20 September 2004, applicant filed international application PCT/US04/30624 which designated the U.S. and claimed a priority date of 19 September 2003. A copy of the international application was communicated to the United States Patent and Trademark Office (USPTO) from the International Bureau on 31 March 2005. The thirty-month period for paying the basic national fee in the United States expired at midnight on 20 March 2006 (19 March 2006 being a Sunday).

On 03 May 2006, applicant electronically filed for entry into the national stage in the United States, which was accompanied by, *inter alia*, the basic national fee, an assertion of small entity status, a declaration of the inventor, and a petition under 37 CFR 1.137(b) to revive the application.

DISCUSSION

A petition to revive the present application under 37 CFR 1.137(b) must include:

- (1) The required reply;
- (2) The petition fee;
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

As to item (1), applicant submitted the basic national fee on 03 May 2006.

As to item (2), applicant submitted the petition fee on 03 May 2006.

As to item (3), the required statement has been provided.

A review of the application file reveals that, with the filing of the present petition and accompanying papers, a proper response has been submitted and all of the requirements of 37 CFR 1.137(b) for revival have been satisfied and revival is therefore appropriate.

Declaration of Inventors

The declaration of inventors filed 03 May 2006 is in compliance with 37 CFR 1.497(a)-(b). The name Robert Livingston, as indicated in the declaration of inventors filed 03 May 2006, is construed as being a shortened version of the name Robert C. Livingston, as indicated in the publication of the international application. If this interpretation is incorrect, applicant is required to notify the Office of PCT Legal Administration immediately.

The surcharge under 37 CFR 1.492(h) for filing any of the search fee, the examination fee, or the oath or declaration after the date of the commencement of the national stage has been charged to Deposit Account 50-1561.

CONCLUSION

The petition under 37 CFR 1.137(b) is **GRANTED** for the reasons set forth above.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations to continue national stage processing of the application in accordance with this decision.
